

CERTIFICATE OF ACCEPTANCE

For the symposium of CONF_CDS 2026
Machine Learning and Neural Network Applications in Engineering

is hereby awarding this certificate to

Anthony Huang

as **Author(s)** for the manuscript (CDS_AST_0205) entitled:

***Robustness of Convolutional Neural Networks to Partial Test-Set Image
Corruption on Fashion-MNIST***

for CDS_AST 2026

All accepted and registered papers will be published in Applied and Computational Engineering (Print ISSN: 2755-2721), and will be submitted to Conference Proceedings Citation Index (CPCI), Crossref, Portico, Google Scholar, CNKI, and other databases for indexing. The situation may be affected by factors among databases like processing time, workflow, policy, etc.
